The last normal flier has become a hard to find relic.

Now the world is a charred landscape of ruined towns and burned-out planes. Fighter pilots, once fearless and bold, have lost their taste for high-risk maneuvers. Runways have collapsed, mountain passes are forgotten, and the skies are falling. Only the last few chance fliers remain. The legendary flight game of your youth returns with a whole new adventure on an entirely new planet. Key Features: Rise to the Top of the Sky Your search takes you to the frontier of the new world, a place of broken skies, mountain passes, and endless dangers. Turn-Based Flight As your character flies from quest to quest he acquires experience points, unlocks new skills, and improves his combat abilities. A Unique

Pilot Experience All of the characters of the game are based on actual historical celebrities. The hero you follow is a man who once soared the skies of the far off world he now inhabits.

Full of Dangers The last fliers brave the most extreme situations, fight the largest storms, and survive the scariest encounters.

The Story All of the characters of the game are based on actual historical celebrities. The hero you follow is a man who once soared the skies of the far off world he now inhabits. His tale unfolds as he takes on breathtaking quests and explores the world of the last plane-fliers. You'll participate in a rich and interesting story of the past, present, and future, with fully animated cut scenes!

Action! Fighters and guns! Jetpacks and bombs! The world of Superflight is a collection of planes and ships of all types, powered by a unique game engine to provide you with dynamic, fluid gameplay. By the way, General Sherman is a well-known and well-liked tank, the American friends, also, often like to play with him. So, it will be clear that you will have a slight advantage. However, the Soviets have their tanks. Moreover, there are also airplanes, antiaircraft guns and several other objects. The Americans and Germans are also fighting not only against the tanks of the allies, but the airplanes and antiaircraft guns from both sides of the war. Moreover, you will also not be alone. The allies will be fighting, too. To win the game, you must hit the enemy tanks with the battering ram, gunfire or grenades. Hit the target. Grenades, shoot, shoot! How To Win: From the objectives on the map, pick up the

boxes that will help you to repair your tanks, but which are also necessary for General Sherman and the allies. Choose the right time when the allies are where they are not. Choose the right moment when the Germans or the Soviets are not concentrated. Deal with the enemies in the right time. General Sherman and the allies will destroy the tanks while the German and Soviet tanks will not hit you. Good luck, General! The game includes:

- Modern mechanics
- More than 50+ powerful tanks, ranging from small to huge machines
- About 40 different map zones of different sizes
- 65 types of fighters (light and heavy)
- Antiaircraft guns and airplanes
- More than 200 types of weapons and gadgets
- All American weapons
- Different American and German tanks
- Victory conditions on 6 different maps

Overlay The overlay is a handy menu for quick access to dice interactions, vendor offers, and card backs. These screens come into effect after you complete three transactions with DiceCorp! Overlay Opening overlay Holding down the spacebar on the overlay will bring it up, click the menu icon to bring up the overlay's full list of contents. The overlay lists your last three DiceCorp Transactions, Vendor Offers, and Card Backs. Your list of transactions and vendors can be adjusted and viewed from the bottom of this screen. You can also adjust your vendor offers from the bottom of the overlay by clicking 'Edit offers'. Note: If you've no transactions, you may still see offers in your offer list. Card Back Card Back The Card Back screen comes into effect after you complete three transactions with DiceCorp! At the bottom of the screen, you'll see both of your dice- a non-hurt and a hurt die- that will generate after your next transaction. You can hit the 'Add a Card Back' button on the lower right of the screen to generate a new card back. There's a variety of different cards available. They can be unlocked by buying, selling, or using specific goods. Using a good will purchase new cards for you. Buying a good will make it available in your inventory for a time- and each subsequent purchase will use up all the remaining time. Activating a good

through an offer will make it available for you to use during that week. Using a good to gain a point or chip will leave that good in your inventory. Selling goods will leave a permanent mark on your dice, in the form of a unique card. Dice offers may contain the remaining time that you're required to activate the good. The overlay, card back, and card backs features are all accessible from the bottom of the screen. The vendors offers are accessible from the bottom of the screen, right next to the card back feature. After you've sold a die, you will be able to swap it out for another one on your way to your rent payment. Dice Toss Dice Toss The dice toss is an exciting, in-your-face mechanic that let's you make the best of every dice flip. Using this

Click/tap on the icons below to share this post The Game of Life Synopsis The producers of the The Game of Life did a number on the popular game show. They tried to add a simple theme to the game. Instead of the excitement and fun of a number game, they produced "37 Short Stories" with a sobering message for kids. There were three different short stories. The first two were about a single man with a nosebleed. The other short story was about a man who we were sent to an empty house to kill. Spoilers: No spoilers shown and none will be detailed here. Overall Rating 65% What We Think: We don't want any more spoilers, so we won't mention any more details. You'll just have to find out for yourself. Transcript Narrator: The Game of Life. It's a great game. And - it's fun. Each year, we share three stories with kids. These stories change every year. We call them short stories. Elliot: Dad, what was that about this year? Elliot: Our story was horrible! Narrator: This is the story of Elliot, a single man with a nosebleed. Elliot: Dad, what happened? Narrator: His father's whole life is shattered when the toilet overflows and floods the house. Elliot: Our story was very sad and I don't think we should have to do that sort of thing! Narrator: This is the story of Mike, the man who we were sent to an empty house to kill. Mike: He's a loser who
