You have been in trouble - a group of orcs is attacking the village. You're a knight in the Age of Darkness. Fight, Attack, Dodge, Jump and Run. This is the Iron Defense, you are the Knight! Use your swords and shields to block incoming attacks. Use the powerful attack system and when you think you've got them, strike hard with a powerful strike. Avoid the traps and obstacles while you fight! If you are strong enough, you will face the boss of the village. It's up to you to defeat it. Collect all the coins to upgrade your skills. Would you like a new defense game in this year? Our game is not for children. Don't ruin your children's good health.
