### Features Key:

Beautiful Graphics

New hardware plus a brand new graphics engine provides high-quality imagery, resulting in visuals that are never before seen in an RPG.  
Beautiful Sound Effects

Character sound effects, enemy sound effects, weapon sound effects, and the effect of special attacks feel so real that you'll really feel as if you are controlling a living, breathing character.

Awesome Song Arrangement

You'll be so immersed in the game that the music will feel like a reality.

## FEATURES

### Galaxies of Leaders

The Elves, Dragons, Goblins, Humans, Dwarves, Orcs, and all the other races and classes are characters modeled after the great leaders of the Ancient World and the heroes of various mythologies.

Elden Ring is an unprecedented fantasy RPG that allows you to create your own unique character just like a character from an epic fantasy movie.

- Prepare for a journey deep into the Land Between, a world that few have ever been to. There, a dramatic story unfolds, where all of your choices and choices of other players determine the fate of the inhabitants. The journey through the Lands Between will be an exhilarating quest through the simple but dynamic world. Feel the heat of battles! The ELDEN RING will push you into a world of adventure and excitement.
- The game is 100% free: all of the content is released under the GNU General Public License. Discover a new fantasy world, and a wide variety of races and classes.
- Customize your Gear, Abilities, and Equipment to be anything you want to be in the world of The Land Between! (EVERYTHING YOU HAVE IS INVULNERABLE)
