Dez and Ava Evans, a local couple who had gotten fed up with trendier breweries that have come and gone. In addition to Fishtown, they also crafted brewery tours. With their big tasting room, seating, board games, and inviting atmosphere, it became a welcome stop for locals and a welcoming place for beer lovers of all ages. In addition to their flagship brown ale and Irish red ale, Fishtown has also become recognized for their saison style beers featuring a variety of Belgian yeast strains. The brewery and tasting room have one of the best selections of barrel-aged and sour beers available. In 2012, Fishtown purchased the space next door, and has since become the home to more of their sour beers and their rotating beer in bottles program, which allows the brewery to release beer from their three different locations under one roof. Fishtown Brewery is the only brewery in Fairmount, and sits in the heart of the Fishtown neighborhood itself. Fishtown has the most established food trucks in Fairmount Town Square, so come grab some pizza, pasta, or a bite to eat while you enjoy a pint of your favorite beer.Maureen Flanagan Maureen Flanagan Biography Maureen Flanagan holds a B.A. from the University of Minnesota, where she took her first courses in art history and Chinese studies.
