

Introducing the official trailer for Baa Baaa Black Sheep starring Anupam Kher. The film is presented. The film tells about the difficult life of an orphan boy in the family of an alcoholic uncle. But as often happens, in a difficult moment, when a boy gets into trouble, a mysterious stranger in a sheep mask comes to his aid. The film also touches upon the problem of religion in India, where recently, Hindus, in particular the inhabitants of Jammu and Kashmir, have opposed the construction of a new railway from India to Pakistan, and there have also been attempts to burn down several stations along with their staff.
